**Society for Thermal Medicine
Conflict Of Interest Statement**

As a member of Council of the *Society for Thermal Medicine*, I,
_____, am
committed to the society's goal to establish and maintain the highest level of public
confidence in its accountability. I have personally committed to follow the standards set out
below, which are a part of the *Society for Thermal Medicine's* conflict of interest policies:

I will conduct my activities with the board of directors of *Society for Thermal Medicine* so
that I do not advance or protect my own interests, or the private interests of others with whom
I have a relationship, in a way that is detrimental to the interests of, or to, the fundamental
mission of *Society for Thermal Medicine*.

In every instance in which I represent the *Society for Thermal Medicine*, I will conduct my
activities in a manner to best promote the interests of *Society for Thermal Medicine*.

In all matters that come before the board of directors for a vote that may favorably impact my
own financial interests, or the private interests of others with whom I have a financial
relationship, I will reveal that relationship and abstain from a vote in the matter.

When a conflict of interest arises, or when a potential conflict of interest emerges, I will
disclose that conflict, or potential conflict, to the director of *Society for Thermal Medicine* or
to the President of the Society and seek a resolution of that issue.
